

NLR @ Supercomputing 2009

Bonnie Hurst

NLR Experiments Support Services

SC09 – Portland, Oregon

- Infrastructure
 - Upgrading FrameNet connection in Seattle – Summer 2009
- Focus
 - Services and Support to our Community
 - Researchers from our Community
- Ideas
 - Cisco Telepresence Meeting Place
 - Researcher demos/presentations from NLR booth
 - GENI demos
 - Distribution point for participant marketing materials
 - Presentations about NLR services/tools/infrastructure (perhaps from NOCS via TelePresence?)
 - How do we best advertise these sessions?

SC09 – Portland, Oregon

- Our Bottom-line

NLR is there to provide the best possible on-site support to our community.

*Our goal is to help you have a successful
SC09!*
